

NetApp Sales and Presales Certification

NetApp Sales and Presales certification exams are now available online at:

<http://ibt.prometric.com/netapp>

The following exams are available for free for the first time, and US\$50 thereafter:

Serial #	Test Name	Time Limit	Passing Score
NS0-102	ASAP- Accredited Storage Architect Professional	1 hour 30 minutes	65%
NS0-101	NetApp Accredited Sales Professional Exam	1 hour 30 minutes	70%
NS0-201	SVAP – Server Virtualisation Accredited Professional	1 hour 30 minutes	60%

You will need to register for a Prometric Testing ID if you don't already have one. Please follow the instructions online and remember to record your Prometric ID for future reference.

If you already have a Prometric Testing ID, please provide your correct ID.
